

# Notre Dame Won Easy Victory Over Rutgers

New York, Nov. 8.—Notre Dame today converted its football game with Rutgers into a track meet, and running circles around the eastern team, claiming a 48 to 0 victory.

The flashy Indiana eleven, which last Saturday triumphed over the Army, played an even faster game on its second eastern appearance this season. When Foster Sanford's pupils tried to match their forward passes against Knute Rockne's tribe, they looked like a primary class in scholastic mathematics.

When the Indiana backfield wasn't adding and subtracting in the manufacture of successful passes, it was running the hundred yard end in ten flat. It was one of the swiftest sets of backs seen in the east this season.

Just by way of variety, Wynne and Castner, who each had made 50-yard runs for touchdowns, kicked a field goal.

Rutgers had only one chance to score and missed that. It was in the second period. A long forward pass had brought the ball to Notre Dame's 45-yard line when another pass was heaved into the arms of a Rutgers player on the two-yard line. Then the scarlet quarter elected to essay another forward, with the result that Notre Dame soon took up the offense again.

The game was marked by frequent fumbles, and penalties and a display of base and dirty tackling that sent a number of players to the side line.

The lineup:

Notre Dame	Rutgers
Kiley	Brennan
Garvey	Left End
H. Anderson	Left Tackle
Larson	Left Guard
Doolley	Center
Shaw	Right Guard
E. Anderson	Right Tackle
Thomas	Right End
Mohardt	Quarterback
Castner	Left Halfback
Wynne	Right Halfback

Score by periods:

Notre Dame	17	10	7	14	48
Rutgers	0	0	0	0	0

Notre Dame scoring touchdowns: Castner 1; Wynne, Kiley, E. Anderson, Desch (each for Castner) 1; Shaw 1; Thomas 1; Wynne, Castner, Referee Tufts (Brown), Wynne, Referee (Chicago), Lincoln (Maxwell) (New York). Time of periods, 15 minutes each.

Y. U.	Trinity
Tanahill	Left End
Woolam	Left Tackle
Richmond	Left Guard
Brill	Center
Dolan	Right Guard
Sinclair	Right Tackle
Hart	Right End
Rowledge	Quarterback
Martin	Left Halfback
Kennedy	Right Halfback

## AUSTRALIA WANTS TEAM IN FRANKLIN FIELD MEET

Philadelphia, Nov. 8.—Australia is to send a team of runners to the relay race on Franklin field here next April but the University of Pennsylvania has regretfully cabled the antipodeans that conditions for next year make it more or less impossible to finance the scheme. The offer came from the University of Sydney which wants to meet America's best in a distance medley relay on Pennsylvania's famous track.

Pennsylvania is under a promise to meet the English next spring. If Oxford and Cambridge succeed in getting up a meet along the lines of Pennsylvania's relay carnival which has grown to be one of the world's great college athletic meets. The Achilles Athletic club made up of Oxford and Cambridge men hope to hold a relay meet in the last week of March or first week of April for schools and colleges, and in that event a Pennsylvania team would cross the Atlantic to compete and be back in time for the home relays on April 28-29.

Because of the expense attached to the proposed trip, it was stated, Pennsylvania could not undertake to guarantee expenses to an Australian team because of the great distance the runners would have to come. Pennsylvania athletic officials, however, hope to have Australia represented in some future meet.

English and French athletes have competed on Franklin field, the Englishmen twice winning the principal events which they entered.

## TENNIS ASSOC'N CONSIDERING ABANDONMENT OF BLIND DRAW

New York, Nov. 8.—Abandonment of the "Blind Draw" in tournaments is being considered by the United States Tennis Association. It has appointed a committee of which R. Norris Williams of Boston is chairman, to ascertain the sentiment of leading tennis players in regard to the step. This committee will report to the executive body of the association at its December meeting.

The "blind draw" used in all of the big tournaments last year, proved unsatisfactory to the players in many instances. In the women's national championships, Mrs. Franklin L. Malory was drawn to meet Mrs. Marion Zinderstein Jessup, of Wilmington, Del., and Suzanne Lenglen in the first and second rounds, while the men's title tournament had William T. Tilden, William M. Johnston, Vincent Richards and Zeno Shimidzu in one eighth of the draw.

Tilden is one of the leaders in the movement to have the draw "seeded" or picked in the future.

## PENN'S CAPTAIN BROKE TWO RIBS IN SWARTHMORE GAME

Philadelphia, Nov. 7.—Rex Wray, captain of the University of Pennsylvania football team, has been playing for three weeks with two broken ribs, which he suffered in the game with Swarthmore on October 15. Since then he has played hard games against Virginia Military Institute, Pittsburgh and Lafayette.

His injury did not become known until yesterday when coaches noticed him walking around the dressing room apparently in pain. He was taken to a physician and an X-ray photograph revealed the broken ribs. It is doubtful the coaches said today whether he will be able to get in the lineup against Dartmouth next Saturday. The Quaker leader, however, declared he was determined to do so.

## TAKE SLOW MOTION PICTURES OF YALE CREW IN ACTION

New Haven, Conn., Nov. 8.—The idea of "seeing ourselves as others see us" is the latest method for finding the flaws and learning correct stroking of the Yale crews. Yesterday afternoon's crew practice was featured by head coach Cordery taking slow-motion pictures of the crew in action, the first time Yale has taken advantage of the "movies" in any athletic training. The film will be shown before a gathering of the crew and the criticism made on the form displayed.

The annual fall interclass regatta will open this afternoon, the finals being contested on Thursday.

## BLAIR AND EDDY MAY NOT PLAY AGAINST TIGERS
